Hampton's Vegetable Tincture! COME, LET US REASON TOGETHER." ORAL TESTIMONY.

GREAT MEDICAL DISCOVERY ! WITH such testimony, no stronger proof can be given, unless it be trial of this wanderful Hampton's Vege-table Tineture.

Let the selicted read | read | BARRELLVILLE, ALLEGANY COUNTY, (Md.,) May 4, 1802.

To Megars, Mortimes of Mossbray:

DEAN SIRE: In justice to Dr. Hampton's Vegetable in ture, I wish to beform you that I was taken sick on the day of January last, with an affection of the stomach, being and kidneys. I was attended by four entirent play claus for more than two months—all to little or no effect. had some knowledge of the great virtue in Hampton's Tinc ture from one bottle which my wife had taken two years

and the term of the conclusion that I would take no more medicine from my physicians, but try the Tineture; and I am
happy to inform you I had not taken it two days before I
felt its powerful induence upon my stemach. I have continued using the Tineture, and am now able to leave my
room, and can cat any common dict without much inconvenience or pressure on my stomach.

The afflicted or their friends are daily visiting me, to learn
of the great virtue there is in this Tineture of Hampton's.

I expect to send you several certificates in a few days—one
especially from a young lady who has been confined to her
room twelve months, with a disease of the head, effecting

BARRELLVILLE, ALLEGANT COUNTY, (Md.,)
October 13, 1852. Messrs. Mortimer & Mowbray.

Dean Sins: I am happy to inform you that this day finds me in the enjoyment of good health, by the use of your Hampton's Tincture and the blessing of God. I am enabled to pursue my daily avocations as usual, and I have a great desire that the afflicted should know the great curative response of the Tincture.

I am, with respect, yours, E. W. HALL. THE ALMOST MIRACULOUS CURES made by Hamp one Vegotable Tincture on our most respectable citi-ens—men well known and tried—we challenge the world s-how anything on record in medicine to equal it. Many unitreds who hace felt its healing powers bear the same texti-

mony.

Mastra Morlines of Mombray: Gents: Last September I was attacked with arytipelas, from which a dreadful ulcer formed on my right leg. Getting better of this, lest Novamber I took a deep cold, which led to what my physician toid me was bilious pleurisy, which left to what my physician toid me was bilious pleurisy, which left me with a censtant, deeply-scated, and painful cough, having no rest day or night, and constantly throwing up from my lungs a thick matter. I became much enfaciated growing weaker every day, and keeping my bed the greater part of the time. My friends thought I had the consumption, and at times I was also of the same opinion. At this stage of my disease, after having tried many and various remedies, without success, a friend advised me to try DR. RAMPTON'S VEGETABLE TINC-TURE, and procured me a bottle, which I now pronounce the greatest medicine I ever took. Before I had taken half the contents of one bottle I felt much improved; and now, having taken but have bottes, my cough and pairs thus can truly say that, with the blacking of God, I have been restored to the health I now enjoy by the use of the most invaluable medicine.

A Lady's Testimony after Unity-eight years of suffering!

Were there not real virtue in this wonderful medicine, could it perform the astenishing cures made by it?

Normanico A, April 12, 1852.

Menera Tyler & Adair: I have been afflicted with Rheumatim, as times, from my twelfith year: I will be fifty years of age the 18th of this mouth; the attacks were at times so severe as to render me helpless; I have tried various remodies to very little effect. Last October I was attacked in my shoulders, sides, back, and hips; I could not reat, day or night; I could not move any part of my body without crying with pain; at this time I also tried many remodies, internal and external, without receiving any relief; I was at last advised to try HAMPTON'S VEGETABLE TINCTURE; before I had taken one bottle of which I felt much better, and as I continued taking it I felt strength coming into my back and imba, and my stemach strengthened and revived every way; I have taken free bottles, and an much better than I ever expected to be. I intend to use it whenever I need it, and would recommend it to the afflicted, believing it unequalled.
